

INTRODUCING SUREFIT™

AccuLens is proud to be the first nationwide GP contact lens manufacturer to offer the easiest, most efficient way to fit and dispense GP lenses
IN ONE OFFICE VISIT

Clarity Plus Extended Add, exclusively from AccuLens, is now available in a disposable and convenient delivery system called SureFit. SureFit provides 2-to-3 lenses per eye to successfully fit your presbyopic patient in one office visit. You eliminate the need for multiple lens exchanges because SureFit enables you to have all the possible lens parameters in hand on day one.

There's no easier presbyopic GP lens to fit than Clarity Plus Extended Add with SureFit. AccuLens is offering a one-time \$125 savings on your first order. Offer expires 12-31-08.

SureFit is a patent pending delivery system available exclusively in Paragon HDS®
